Timetable of Activities

Thursday 21 st December	Friday 22 nd December	Venue
Science	Science	St. James Primary School, Harlestone Road, NN5 7AG
Sports	Arts and Crafts	

Arts and Crafts (4-11)

Come and join in with the creative fun on our themed days this summer. Learn to use a range of artist's materials and techniques and take home your own work to impress family and friends.

Sports (Age 5-11)

Multi Sports Activities. Children are divided into age groups and choose which sports they would like to take part in throughout the day. Your children will keep busy and active with a huge variety of activities and sports for them to enjoy during the school holiday. The fun environment on our holiday courses means they mix with loads of children of their own age, get active and most importantly have fun!

Atomic Science (Age 5-11)

Atomic Tom provides a great day for the children! The day will include fun science experiments, some of which the children will bring home.
