Parent reminder on procedures put in place in the event of school closures due to snow.

We have been fortunate to escape the worst of Winter so far. However, if the weather should take a turn for the worse we would remind parents of the procedures put in place in the event of a school closure.

We ask that staff, parents and pupils listen out for school closure information on their local radio. Parents can also access the County School Closure Web Page either through the Northamptonshire County Council Website, or directly using the web address www.northamptonshire.gov.uk/ismyschoolclosed.

The school will also text parents via the ParentPay school communication system. It is therefore important that we have your most up to date mobile numbers.

Once the decision to close has been made, we will also endeavor to add an announcement to the home page of the school website – www.easthunsburyprimary.org.uk.

We sincerely hope that that an extra-ordinary school closure will **not** be necessary. However, forewarned is forearmed.

Yours sincerely
