Dear Parents/Carers,

Do you work for a company that does Matched Fundraising?

A surprising number of companies, both locally and nationally, have matched fundraising schemes. These schemes allow you to raise money for charity, which your company will then match all or some of – so they are a great way of increasing the amount you raise for very little extra effort. This web link will show you some of the companies that do matched fundraising so please have a look to see if your company is there <http://tallships.org/support-us/company-match-funding/> then click on [current list of companies](#). Alternatively email us and we can forward you a list.

The Friends of the school (FEHPS) have used matched fundraising in the past to help us raise extra funds to support our school community. Through the money that we've raised we have been able to support the repair of the Willow Dome in reception, help with buying new play equipment for your children to use at lunchtimes and contribute towards new playground equipment.

Raising money for things like these is something that we feel is important to a happy school, and is something that we're pleased to keep doing. But if you work for someone who offers matched fundraising and you can support just one event you could potentially double the amount we make for the school at that event. There is no obligation to get involved in the Friends on an ongoing basis (although help is always welcomed) and there will be plenty of support available.

So if you work for any of the companies listed here and feel you could help then we'd really appreciate it if you could get in touch with us via our email: fehps@hotmail.co.uk

With many thanks for your support,

The FEHPS (Friends of East Hunsbury Primary School)
