

Foundation Stage Newsletter – Issue 14

This week our theme has been 'The Singing Mermaid'. We have played with small world mermaids, enjoyed a circus themed outdoor area and had a go at counting money just like the wicked Sam Sly! We sang a counting song called '5 Shiny Shells'... have a go at home.

"5 Shiny Shells in a seaside shop,
Round and bumpy with sand on the top,
Along came a mermaid with a penny one day,
Bought a shiny shell and took it right away...."

NEXT WEEK

Our focus question for next week will be, *Is there any room on the broom for me?* We will be exploring this popular Julia Donaldson book and focusing on the rhyming nature of the text. Can your child find objects that rhyme at home, for example dog and log, or find rhyming words in a story? Perhaps use Tapestry to let us know how you get on.

Obstacle Course

Next Friday the children will be participating in the sponsored obstacle course to raise money for the Life Education Bus visit. The "Just Giving" page is <https://www.justgiving.com/crowdfunding/EHPS> or you can pop in and collect a paper sponsor form from us at school. The children will come to school in school uniform and change into PE kit when it is their turn to take part. Please ensure jewellery is not worn on this day. All the children will participate at some point over the day.
