17<sup>th</sup> October 2017

Dear families

## Home Grown and Raised

On Friday 20<sup>th</sup> October we have an exciting event happening at EHPS. Home Grown and Raised will be visiting us at school with a selection of farm animals. We will be writing questions to ask the farmers and developing our speaking and listening skills as well as learning about the animals and how to care for them.

To find out more about Home Grown and Raised please go to:

<http://www.homegrownandraised.co.uk/>

The Home Grown Team have asked if they can take photos for their website and promotional material. Although we hold information on your wishes regarding our website and photos taken within school please can you complete and return the slip below so we can share this information with Home Grown and Raised.

If your child has a known allergy that may be triggered by this visit please advise school immediately.

Thank you for your on-going support in your child's learning journey.
