

4.10.17

Dear Parents,

In RE we are going to be listening to stories from the Bible and talking about who these stories are important to.

Next week we will be looking at the Bible and talking about why it is a special book to Christians.

As a way to introduce this concept we would like the children to bring in a book that is special to them and to share with others why it is special.

Please could the children bring a book in with their name clearly marked on **Monday, 9th October (ie. next Monday!)**

Thank you

Year 1
