26th March 2025

Dear Families

One of our amazing Teaching Assistants, Leanne Ford, also designs things in her spare time! One of the things that she enjoys designing are logos and graphics. Now that our Houses are really taking off, and with sports days fast approaching, Leanne has designed some house t-shirts that we wanted to share with you, just in case you would like to purchase one.

Please know that these t-shirts are completely optional, and there is no expectation for you to buy one. They are not part of our standard/compulsory school uniform - just an optional extra. On sports days etc we will ask children, like last year, to wear something that is in their house colours, so as long as they are wearing pink, orange, royal blue or green then that would be absolutely fine. However, if you would like a t-shirt with their house name and our values on, we wanted to share the opportunity with you (I know that some of our staff will be wearing them!)

There are some T-shirt samples in the school office in case you would like to look at the quality and sizing. T-shirts are £10 each plus postage and packing, in sizes 3-4, 5-6, 7-8, 9-11 and 12-14. Delivery should be to your home address within 10 working days.

Please ignore this email if you do not want to buy one but if you are interested, please click a link below to order.

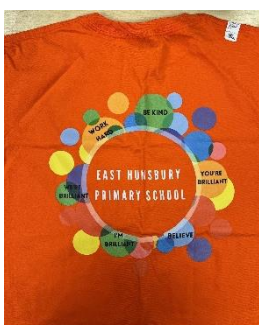

[Salcey T-Shirts](#)

[Everdon T-shirts](#)

[Harlestone T-shirts](#)

[Whittlewood T-shirts](#)

Kind regards

Kathryn Pennington
