7th October 2024

Dear Parent/Carer

Year Three Trip to Oxford University Museum of Natural History to study rocks and minerals

We have organised a trip to the Natural History Museum in Oxford for Year 3 on Wednesday 29th January 2025. The visit will take place in school time.

The visit focus is on rocks and minerals, which is part of the Science curriculum. Each class is booked in for an hour long workshop led by museum experts, handling and learning about different types of rocks and how they are formed. There will also be a guided tour organised by the teachers. A pre-visit will be made so we can target the most relevant exhibition areas and plan the tour to maximise the learning opportunities.

How much does it cost?

The cost of the trip is £16.50 which needs to be paid, via ParentPay, **by Wednesday 11th December 2024**

Please also complete the online permission form by Friday 18th October 2024.

What does my child need?

The trip will be inside the museum and an indoor lunch area has been booked.

Children need to wear smart school uniform and bring a healthy snack, packed lunch and their water bottle in a disposable bag. If your child is in receipt of Pupil Premium, you can order a **COLD** option from School Grid for lunch on this day.

If your child is in receipt of the pupil premium grant, then you may be able to have financial support for this trip. Please contact Jo Long, our School Business Manager, (longj@easthunsburyprimary.org) for more information.

We are hoping that everyone will be able to attend this trip but if there is insufficient interest then we will make the difficult decision to cancel it.

Yours faithfully,

The Year 3 Team

Headteacher: Mrs K Pennington
