

5th December 2017

Dear Parents,

As part of our History studies we would like the children to bring in a favourite toy to talk about on **Thursday 7th December** (ie this week!). We will only need it for the day and will be sending it home that same evening.

The following week **Monday 11th December** we will be looking at toys from the past, with a focus on toys that didn't use batteries or electricity. If anyone has an old toy that they are willing to send in that would be great. These toys will be kept on a display and the children will only handle them under supervision.

Please help your child fill in the questionnaire about toys that they will be bringing home and bring it in for Monday 11th December.

We look forward to seeing you at the **Christmas Workshop** for Arts, crafts, songs and mince pies on **Tuesday 12th December 9.15am-10.45am**

Please send your little 'elf' to school in a Christmas jumper/top

or Christmas headband/hat on that day.
