Dear Parents and Carers,

We recently sent a letter to you regarding Class Dojo. Thank you to all those of you that have already signed up. If you have yet to sign up, please follow this link to do so.

<https://www.classdojo.com>

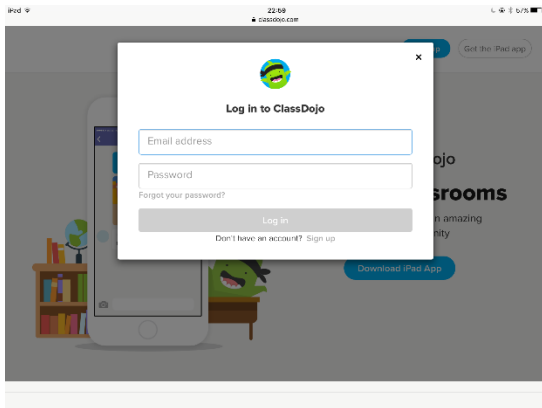

The children were sent a unique code for parents and students to sign up. If you need another copy please can you let the teacher know and we can re-issue this.

I have been made aware that some parents are having problems connecting to the student account, so I have created this step by step guide to help.

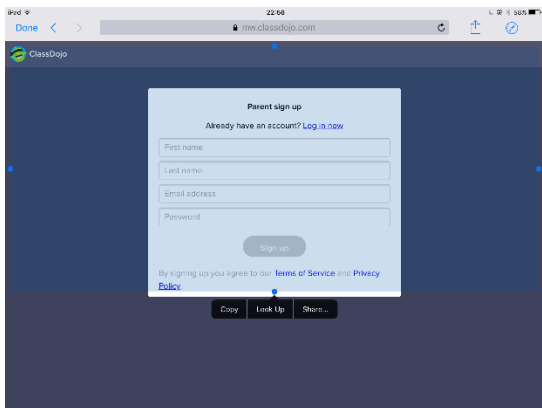

Connecting as a parent:

<https://www.classdojo.com>

click on parent log in

If you haven't set your parent account up yet - click on 'I don't have an account' and complete this screen.

Headteacher: Mrs R Arundel

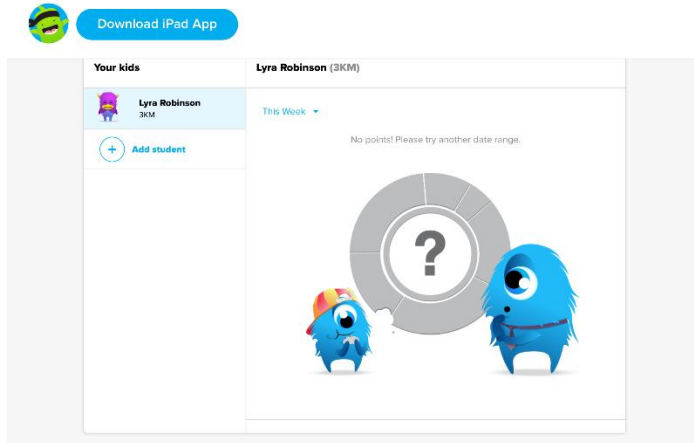

Then you can log in using your unique code that begins with....P

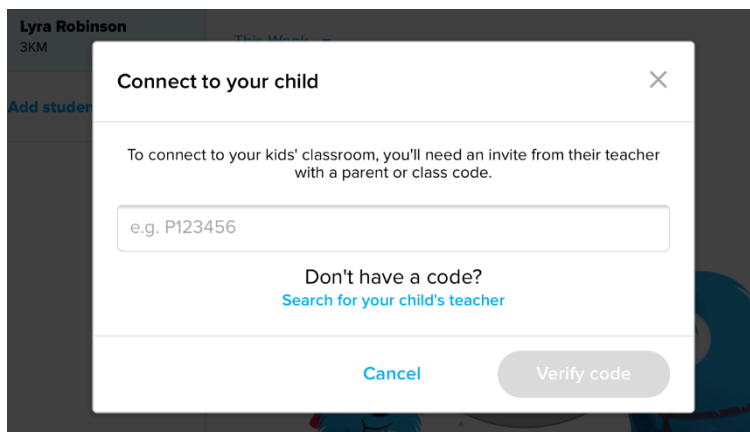

Once you have logged in as a parent, you will be able to add a student account.

Setting up a student:

You will then see a screen similar to this.....

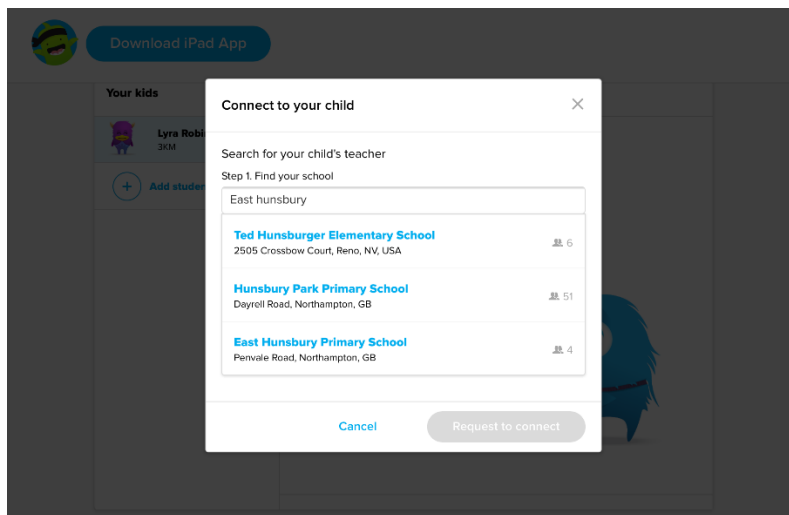

You need to click on add student

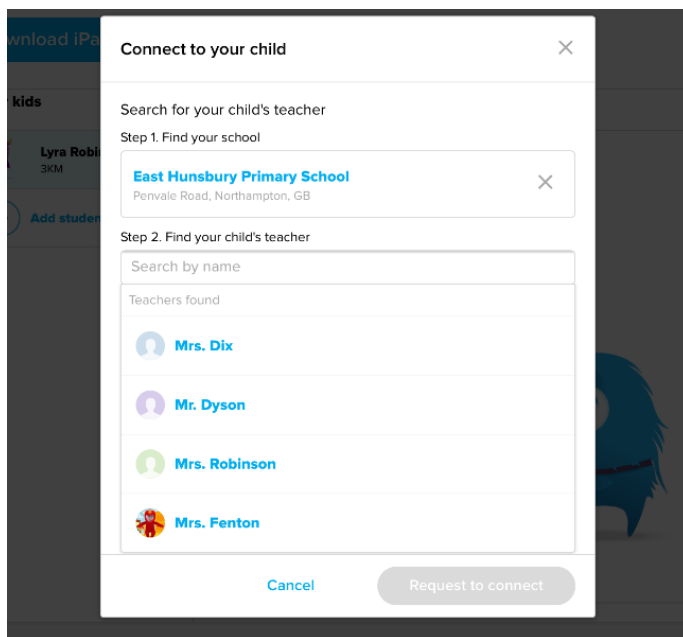

Click search for your child's teacher.

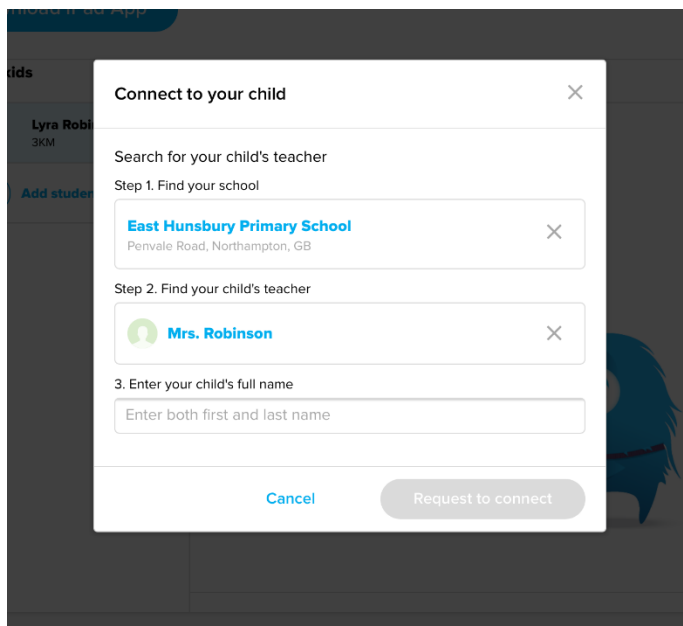

You first have to find the school.

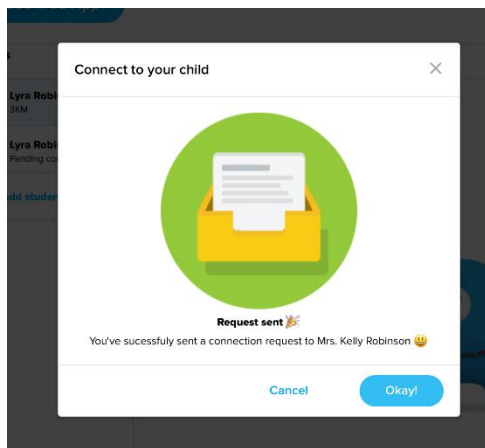

Then the teacher.....

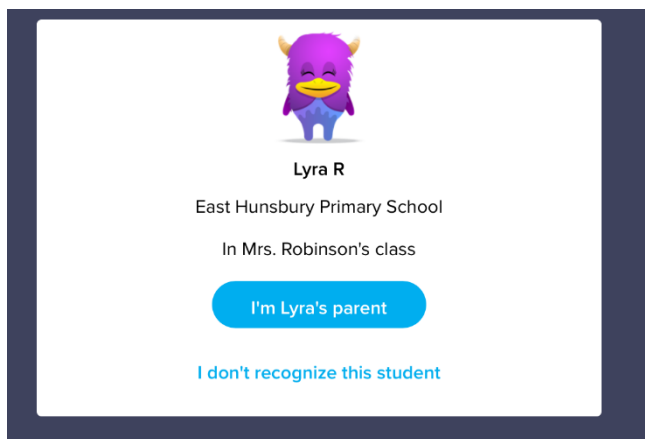

Next add your child's first name and surname.

A request will be sent to your teacher and when the teacher has accepted.....you are able to start.

Finally, you will see this screen.

Now you can upload photos and share stories from home. These will need to be approved by the teacher and will only be seen by the teacher.

Thank you

Mrs Robinson
