9<sup>th</sup> January 2019

## To: Parents / Guardians of Year 6 pupils

We are offering additional booster sessions to support our pupils in mathematics. At present, we intend to make these available to all pupils – but, particularly if we have a large take-up, we may need to limit this to those pupils who have displayed the best attitude in their learning, homework and effort, in order to maximise the effectiveness of the session.

The sessions will take place after school every Monday between 3:40 to 4:30pm, from Monday 14<sup>th</sup> January to Monday 29<sup>th</sup> April. Experience over previous years has shown these sessions to be very popular, helping to boost confidence in analysing and tackling examination questions and in deepening knowledge and understanding of the subject.

Pupils will need to be collected promptly by an adult after each session from the usual Year 6 exit, unless they normally attend after-school Kids' Club (in which case, we will ensure that your child is safely escorted there). **Children are not permitted to walk home alone at 4.30pm.**

If you would like your child to take advantage of this opportunity, please complete and return the reply slip below by Monday 14<sup>th</sup> January.

Regards

*The Year 6 Team*
