

Appendix

Covid-19 Arrangements from 8th March 2021

1 Context

- 1.1 This appendix has been added to the school safeguarding policy following the period of partial closure between January 5th 2021 and March 8th 2021. From the 8th March 2021 all children, except those who are clinically extremely vulnerable and have been directed to shield at home, are expected to attend school.
- 1.2 This appendix has been added to provide all stakeholders with additional information about the school's safeguarding and child protection arrangements from the 8th March 2021.

2 Guidance

- 2.1 The school continues to comply with all statutory safeguarding and child protection guidance during this time, including [Keeping Children Safe in Education \(2020\)](#)¹.
- 2.2 The school is currently operating under the latest Covid-19 guidance from the Department from Education, '[Schools coronavirus \(COVID-19\) operational guidance \(February 2021\)](#)' and '[Actions for early years and childcare providers during the coronavirus \(COVID-19\) outbreak \(February 2021\)](#)'

3 What to do if you have a concern about a child

- 3.1 A trained Designated Safeguarding Lead or Deputy Designated Safeguarding Lead will be available at all times during school hours. Wherever possible, a trained DSL (or deputy DSL) will be available on site. Where this is not possible, a trained DSL (or deputy DSL) will be available to be contacted via phone. In this instance an appropriate senior leader will take responsibility for safeguarding on site.
- 3.2 Any changes in arrangements for contacting the DSL/DDSLs will be shared with staff before 9am each day, as well as any relevant safeguarding and child protection updates and training.
- 3.3 If the school becomes aware that a child is suffering, has suffered, or is at risk of suffering harm or abuse, this will be managed in line with procedures outlined in the main body of the school's safeguarding and child protection policy.

4 Attendance

- 4.1 In line with government guidance, we expect all children to attend school unless they are self-isolating or shielding. The school is responsible for recording attendance, following up absence and reporting children missing education to the local authority.
- 4.2 Parents or carers should contact the school on the first day of absence and inform the school of the reason why the child is not in attendance. Parents should inform the school of any COVID-19 tests that have been carried out and continue to keep the school informed of reasons for absence, as appropriate.
- 4.3 From 8th March 2021, we will record attendance in accordance with the Education (Pupil Registration) (England) Regulations 2006 (as amended) for all pupils.

- 4.4 In accordance with the 'Remote Education Temporary Continuity Direction', the school will provide remote education to pupils who are unable to attend school because they are complying with government COVID-19 guidance or legislation. We will keep a record of remote education delivered.
- 4.5 Absence information will be recorded in the register using the appropriate codes. Information about school attendance codes can be found in:
- [School attendance: Guidance for maintained schools, academies, independent schools and local authorities \(August 2020\)](#)
 - [Schools coronavirus \(COVID-19\) operational guidance](#)
- 4.6 Where pupils are not able to attend school, as they are following clinical or public health advice related to coronavirus (COVID-19), the absence will not be penalised.
- 4.7 We understand that some parents, carers and children may be anxious about children returning to school. We will work closely with families who are finding the transition more challenging to ensure that children are attending regularly.
- 4.8 We will work with other agencies (e.g. health and other education professionals) to support school attendance if this is required. We will continue to notify the pupil's social worker (if they have one) of any non-attendance.

5 Supporting children who are learning at home

- 5.1 In the event that children are required to shield or to self-isolate, the school will continue to provide remote education and pastoral support.
- 5.2 We will do this by following our remote learning plan.
- 5.3 In the event that a member of our school community (a child or a member of their family, for example) need to seek safeguarding or wellbeing support, they should contact school and ask to speak to a member of the Safeguarding and Wellbeing team and/or follow advice given on our website in our safeguarding information
<https://www.easthunsburyprimary.org.uk/index.php/for-parents/safeguarding>

5.4 Vulnerable children

- 5.4.1 If pupils who are self-isolating or shielding are within the government definition of 'vulnerable', we will keep in regular contact with them by following our remote learning plan and in addition to this agreeing best daily/weekly contact methods e.g. telephone or via zoom. This may be dependent on the needs of the pupil.
- 5.4.2 When a vulnerable pupil is required to self-isolate, we will:
- notify their social worker (if they have one);
 - agree with the social worker the best way to maintain contact and offer support;
 - check if a vulnerable pupil is able to access remote education support;
 - support them to access it (as far as possible); and
 - regularly check if they are accessing remote education.
- 5.4.3 The government considers children to be vulnerable if they:

- are assessed as being in need under section 17 of the Children Act 1989, including children and young people who have a child in need plan, a child protection plan or who are a looked-after child
- have an education, health and care (EHC) plan
- have been identified as otherwise vulnerable by educational providers or local authorities (including children’s social care services), and who could therefore benefit from continued full-time attendance, this might include:
 - children and young people on the edge of receiving support from children’s social care services or in the process of being referred to children’s services
 - adopted children or children on a special guardianship order
 - those at risk of becoming NEET (‘not in employment, education or training’)
 - those living in temporary accommodation
 - those who are young carers
 - those who may have difficulty engaging with remote education at home (for example due to a lack of devices or quiet space to study)
 - care leavers
 - others at the provider and local authority’s discretion including pupils and students who need to attend to receive support or manage risks to their mental health

5.5 We recognise that provision for pupils who have SEND may have been disrupted during the period of restrictions on attendance. We will work with local services (such as health and the local authority) to ensure the services and support are in place for a smooth return to schools for pupils.

5.6 Clinically extremely vulnerable (CEV) children

5.6.1 Children who have been confirmed as clinically extremely vulnerable and have received a shielding letter should not attend school until they have been removed from the shielding patient list. We will support these children by following our remote learning plan and adapting our daily/weekly contacts to meet the need of the individual pupil.

5.6.2 The school may request to see a copy of the child’s shielding letter.

6 Supporting children on site

6.1 East Hunsbury Primary School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID-19.

6.2 East Hunsbury Primary School understands that some children will find the transition back into school challenging and the school will:

- Send a contact form out to all families so they can tell us about significant worries or concerns prior to March 8th. Families will be able to request a call back from a member of the Safeguarding and Wellbeing team.

7 Safer recruitment of staff and volunteers

- 7.1 The school continues to adhere to Keeping Children Safe in Education (2020) and all relevant legislation relating to safer recruitment.

- 7.4 East Hunsbury Primary School will continue to update the single central record and will log details of any risk assessment carried out on volunteers and any temporary staff from other educational institutions.
- 7.5 When East Hunsbury Primary School reintroduces the use of volunteers, they will be offered weekly tests if coming into school on a regular basis. All risk assessments and protocols relating to Covid19 will be shared with all visitors and volunteers.

8 Online safety and remote learning

- 8.1 The school recognises that children both on-site and off-site are vulnerable to abuse and radicalisation online. Children who are at home because they are self-isolating or shielding may be spending more time online and this increases their vulnerability.
