## 1 Aims

1.1 East Hunsbury Primary School is committed to safeguarding and promoting the welfare of all children. We recognise that children may face different forms of abuse and we work together to protect children from harm. As well as being abused by adults, children can be abused by other young people. This is known as ‘peer on peer abuse’ or ‘child on child abuse’. The school is committed to preventing peer on peer abuse and will protect children that may be suffering, or at risk of suffering harm perpetrated by another child. We recognise that peer on peer abuse is abuse and should never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”. We maintain an attitude of ‘it could happen here’ and act in the best interests of the child at all times.

## 2 Definitions

2.1 The following terms and associated definitions will be used throughout this policy.

- **‘Staff’ or ‘members of staff’** refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of the school.
- **Child/children** refers to any young person under the age of 18.
- **Safeguarding and promoting the welfare of children** is defined as; protecting children from maltreatment; preventing impairment of children’s mental and physical health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care and taking action to enable all children to have the best outcomes.<sup>1</sup>
- **Peer on peer abuse (or child on child abuse)** refers to any scenario where a child under the age of 18 abuses another child under the age of 18. It can take place online or offline. The children involved do not have to be the same age and the perpetrator may be older or younger than the victim. Peer on peer abuse (or child on child abuse) could include (but is not limited to);
  - bullying (including cyberbullying);
  - physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
  - sexual violence, such as rape, assault by penetration and sexual assault;
  - sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment, which may be stand-alone or part of a broader pattern of abuse;

8.1 The school have a responsibility to minimise opportunities for peer on peer abuse. We do this by
